

TAP MONEY COMMUNITY MATIC

THE WORLD'S FIRST DEFI SYSTEM
ON THE POLYGON NETWORK WITHOUT
LOST PROFITS AND WITHDRAWAL BUTTONS

TAP MONEY COMMUNITY MATIC

This is a new international decentralized financial system for repeated withdrawals without lost profits created on the Polygon blockchain.

The system cannot be stopped. Cancel the smart contract. Change the conditions. Or in any other way to influence his work.

The only purpose of the system is to gather a huge community and make this community solvent.

***The smart contract works
in real time.***

And this is 2. 212. 350,00 POL every month.

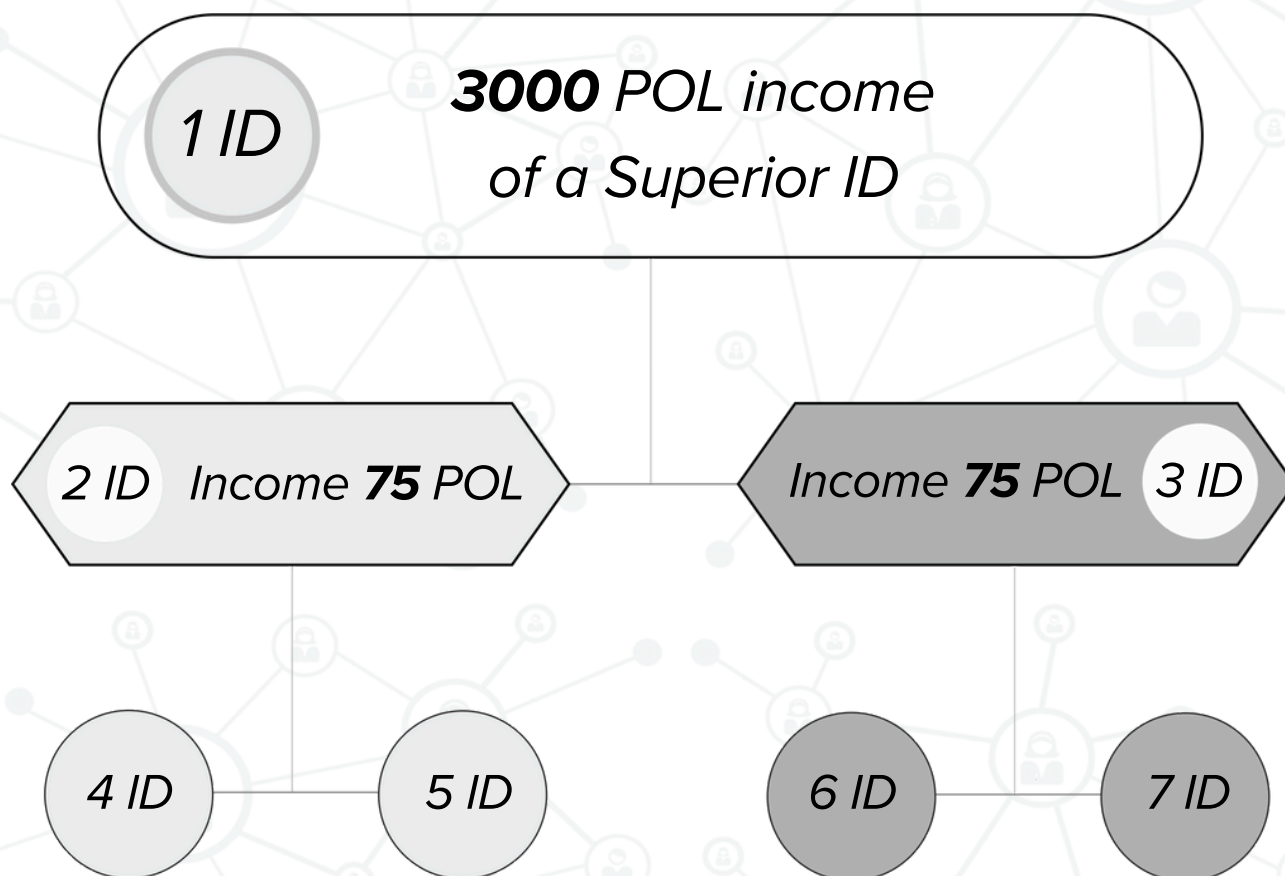

INCOME FROM A HIGHER-LEVEL ID

How does it work.?

Upon activation of the smart contract, each participant takes a free position at levels 2*2 without referral linking to the sponsor. This means that your sponsor will not necessarily turn out to be your superior ID. You can get under any ID in the system according to the terms of this part of the marketing plan.

The partner you are with at the first level in levels 2*2 and will have your superior ID.

Attention! You receive income in this part of marketing without any additional conditions.

Activate the smart contract and collect **2.5%** of all income from your higher-level ID in levels 2*2.

LEADERSHIP POOL

What is the income of the Leadership Pool.?

This is the income that participants receive for the work done once. The pool accumulates liquidity every 10 days and distributes this liquidity in equal parts among all participants of the Leadership Pool three times a month. Fulfill all the conditions of the DeFi system and take this part of the passive income.

Formation of the Leadership Pool fund

Attention! Also, 39% of all income of the first identifier in the system goes to the Leadership Pool.

Activation conditions for this type of income: To activate, you must register 6 IDs for a **100** POL contract and 3 IDs for a **50** POL contract using your referral link.

OUR INCENTIVES

What is our incentive?

These are Bonuses and Monetary amounts that stimulate a specific decision or action of the participants DeFi of the Tap Money Community Matic system.

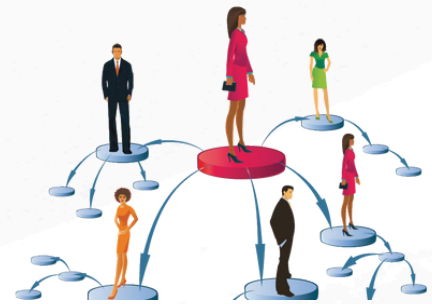

The first incentive is called the "Golden Ticket".
Pick up conditions: **Activation for 5 POL.**

One ticket for all the draws.

*Activate for a 5 POL contract and take part in all our online sweepstakes on an ongoing basis.
Win Laptops, Smartphones, Headphones, and more.*

The second incentive is called "3 Leads per day".
Pick up conditions: **Activation for 50 POL.**

The incentive provides partners from the system, which will allow many participants, without invitations, to build a network in 2*2 levels of more than 8,000 IDs in one year and earn about \$100,000 dollars in the POL cryptocurrency.

The third incentive is called "100% refund".
Pick up conditions: **Activation for 100 POL.**

Each member of the Tap Money Community Matic has the right to receive tokens according to the terms of the distribution. You can use community tokens to purchase any of our products and services or sell **1:1**. Where 1 TMCM token = 1 POL. This way you will be able to return 100% of the funds spent on the activation of all contracts in our system.

*Our incentives will help you fulfill the conditions, quickly reach a good income and receive a **100%** refund.*

OUR GUARANTEES

Distributed registry:

- All network participants have access to a single registry, which eliminates data duplication and increases efficiency.

Immutability:

- After writing to the blockchain, the data cannot be changed, which ensures a high degree of security.

Smart contract:

- Smart contracts automatically fulfill the conditions specified in the code, which speeds up transactions and reduces the risk of errors.

Cryptographic protection:

- All data is protected by cryptographic methods, which makes the blockchain resistant to hacking.

Decentralization:

- The system operates without central control, which eliminates the possibility of third-party interference and makes it more stable.

Automatic withdrawal of funds:

- All income is automatically withdrawn to the user's wallet, which simplifies the process and eliminates the theft of funds from our participants.

Security:

- The use of decentralized smart contracts minimizes the risk of fraud on both sides.

Fast transactions:

- Thanks to the use of the Polygon blockchain, transactions are processed quickly and with low fees.

Automation:

- The system performs 90% of all recruitment, activation and training activities. And it is also guaranteed to provide six new partners to each participant of our system.

Conclusion! Tap Money Community Matic offers unique opportunities to create passive income and unites people into a community, which sets it apart from other similar systems on the market.

AUTOMATIC WITHDRAWAL OF FUNDS

Two direct activations via the participant's referral link, for any 5 POL or 50 POL contract, activate automatic withdrawal of funds.

Activation of automatic withdrawal of funds is the only **prerequisite** for the system.

50%

The total balance is credited to your Meta Mask or Trust Wallet crypto wallet in the form of net profit. This is your income.

AUTOMATIC WITHDRAWAL FROM THE TOTAL ID BALANCE 50-50
Without a withdrawal button.

50%

From the total balance, it goes back to marketing and is distributed according to the conditions of the system.

- *2% in the Leaderboard Pool*
- *5% income from the appline*
- *12% in the Community Line*
- *25% on levels 2*2*
- *6% commission fees*

Attention! If the automatic withdrawal of funds is not activated within 10 days after you sign your first smart contract, the system activates the withdrawal itself. In this case, the participant's net income will go to the Leadership Pool until the participant fulfills the activation conditions.

CONTRACT OPTIONS

There are three contracts in the system for activation:

1st smart contract for **50** POL. It is considered the main one.

The 2nd smart contract for **5** POL. A low contract so that people can check the correct operation of the system without risking a lot of money.

The 3rd smart contract for **100** POL. A high contract to increase your income.

Activation of the **100** POL contract is available 10 days after activation of your first contract.

Revenues from all contracts are added to the total balance for automatic withdrawal of funds.

1 The contract for **50** POL

2 The contract for **5** POL

3 The contract for **100** POL

Attention! All TMCM smart contracts work the same way and separately from each other.
